

The Rocky Mountain Asphalt Education Center is pleased to offer Asphalt Technician "Come To You" Training to help facilitate and promote education in the asphalt industry. By utilizing this service our association members and partner agencies may be able to reduce their overall training expenses.

**DURANGO TRIP - SPRING 2012**

RMAEC Instructor, Cindy Rutkoski and RMAEC Director of Training, Tom Clayton, will be in Durango April 10th for Asphalt field and laboratory testing training, and April 11th for Asphalt Inspector education.

**Asphalt Field and Laboratory Testing - April 10, 2012**

This session will cover education and training for LabCAT Level A - Laydown, and Level B Plant Materials Control. This training will be classroom instruction only. Please note, LabCAT certification will not be offered.

**Asphalt Inspector Education - April 11, 2012**

This session will cover Asphalt Inspector responsibilities and best practices. Participants may attend this classroom instruction as an Inspector education course.

**LabCAT Level I Certification - April 11, 2012**

Following the Asphalt Inspector education course, qualified Inspectors may test for LabCAT Level I Certification by taking the LabCAT written exam. Inspectors are required to pre-qualify for their initial certification and must meet all of the prerequisites. Inspectors who need to re-certify may register for this session.

**Registration Deadline for Inspector Certification is Wednesday, April 4th - No Exceptions.**
