

Warm Mix Asphalt Open House

Come Out and See it in Action!

CAPA is partnering with the City of Centennial and Brannan Sand & Gravel to host a warm mix asphalt project open house. The event is planned for as follows: Thursday, July 21 9:00am – HMA Plant tour to highlight the warm mix additive system being used at the facility, Interstate 76 and 74th Avenue, Commerce City.

11:00am – project site visit in Centennial near Smokey Hill Road and Olathe Street. This will allow attendee's to view the placement of the WMA in a project setting.

Maps will be available the week of the event for the exact location.

Please bring the appropriate PPE (Safety Vest, Hard Hat and proper foot wear). Attendee's may bring infrared temperature sensors, if desired to monitor the placement temperatures.
